Inventio Issue 2.2 will release on
Friday, August 25, 2023

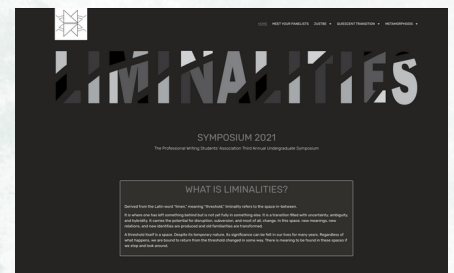

What does it mean to be human? Is it defined by our imminent mortality? Our ability to feel deeply and think curiously? Or is it rooted in the connections we form (and sever) with the world, people, and things around us? Our submissions shed light on these complicated questions.

Submit your fiction, non-fiction, and poetry pieces to be considered for Issue 2.3
