SENTENTIA

Thank you everyone for supporting our Fifth Annual Symposium!

Check out the Sententia [website](#) if you missed the live event or want to read the pieces again!

"We have stopped making meaning by ourselves, not delving deep into the uncharted territory that is our minds and souls [...] . Neatly labeled and quickly defined, we have become our own Sparknotes: parading around with summaries of our identities." - Atena Bazargan ([read more](#)).

INVENTIO

WE ARE WRITING

Issue 2.1 released on
April 25! Read it [here](#).

What is memory? It is found through our intimacy with the everyday objects we come to know and hold dear. Memories are found through the actions we take to re-create and forbid them. We find memories within the people, places, and things that are no longer there. Our submissions remind us of finding the meaning in the minutiae.

Submit your fiction, non-fiction, and poetry pieces to be considered for Issue 2.2

Deadline to submit: July 17, 2023

All submissions must be original and unpublished
